

PRESS RELEASE

General Assembly Meeting 2020: RAL Gütegemeinschaft Kunststoff-Fensterprofilsysteme invites to the digital lecture programme

Bonn/Mannheim, 03 September 2020: The public part of the general assembly meeting planned for 22 September 2020 in Mannheim will take place as a web meeting. The executive boards of RAL Gütegemeinschaft Kunststoff-Fensterprofilsysteme (GKFP) and Qualitätsverband Kunststoffherzeugnisse (QKE) welcome all members, partners and interested parties live from the Dorint Hotel in Mannheim, the originally planned venue for the meeting.

Participants in the online event can expect five lectures from internal and external speakers:

- **The New Quality Mark Is Set to Arrive in 2021 – What Will Change?** (Gerald Feigenbutz | Managing Director QKE and GKFP)
- **Circular Plastics Alliance – Join the Industry Now** (Gerald Feigenbutz)
- **Key Project Master Data – How to Proceed** (Anett Schulze | Chairwoman GKFP Expert Group Master Data)
- **Bionics – Lessons from Nature on the Development of Innovative Products** (Dr. Isabell Sommer | Hochschule Mannheim University of Applied Sciences)
- **The Aftermath of CO₂ Pricing for Business and Industry Following Renegotiation within the Grand Coalition** (Kathrine von Graevenitz, PhD | ZEW – Leibniz Centre for European Economic Research, Mannheim)

The programme is led by the two presidents of the board, Dr. Michael Stöger (GKFP) and Patrick Seitz (QKE).

The event runs from 1:30 p.m. to approx. 3:45 p.m. and will be held via GoToMeeting:

About us

The **RAL Gütegemeinschaft Kunststoff-Fensterprofilsysteme e.V.**, GKFP (Quality Association for PVC Window Profile Systems) awards the RAL Quality Mark to member companies that fulfil the rules of the RAL-GZ 716 quality and test specifications. The aim is to comply with the highest quality requirements in order to ensure that the products manufactured are suitable for long-term use. The members of the association consist of system suppliers, manufacturers of gaskets, raw materials, foils, adhesive systems, gaskets and machines as well as contract laminators.
