Peter Czajkowski
Chairman of the Quality Committee

The quality mark was awarded on the basis that the company fulfills the requirements of RAL-GZ 716, part 1, for profile systems with conventional glazing.

Awarding criteria: A **system description** as well as several **test certificates** of sample windows are the basis for this certification. A brief description of the profile system is summarized in a "RAL Systempass".

Periodical audits by a neutral inspection body ensure that system description as well as system tests are up to date.

The RAL quality mark as shown above is acknowledged by RAL Deutsches Institut für Gütesicherung und Kennzeichnung e.V. and internationally protected (EUIPO, formerly OHIM, Registration No 013055595).
